

## Teacher

### Requirements:

1. A Bachelor's in Education or respective field of intended subject to teach with other Professional teaching qualifications. (The ability to update & maintain PCs/software is an added advantage for ICT teachers.)
2. 2 years or more relevant teaching experience is an advantage though fresh graduates with strong proven leadership, co-curricular or volunteer experiences are welcomed.
3. Passionate about teaching, compassionate towards youth and a growth mindset are added advantages.
4. Resonance with our school's Vision and desire to strictly adhere to our Core Values as a professional teacher is a must! Having a Kind temperament, being a person of Integrity, practising Neighbourliness with peers and living a life of Gratitude and Sensibility are plus points.

### Responsibilities:

1. All that comes with the role of a teacher delivering engaging lessons which ensures active learning through lectures, projects or activities (including Scheme of Work, Lesson Planning, Lesson Reflections, Assessments, etc.).
2. Planning and execution of co-curricular events which promote wholesome learning of students.
3. Maintenance, stock take or record keeping of resources or equipment relevant to subject taught.
4. Other assign duties (e.g., Homeroom of various committees).
